

LETTERS FOR SOME CHURCHES

REVELATION 1-3

John lived on an island called Patmos. While he was there, Jesus helped John know about special things that would happen in the world. John wrote down the things Jesus shared with him.

One day Jesus told John to send letters to seven churches in seven cities so the people would know what to expect. Jesus told John to not be afraid. Jesus told John to tell every church, "Let anyone who has ears listen."

So John wrote a special letter to each church. John told the church what Jesus said about them. Jesus said things like: I remember your good works. Don't stop. Always love Me. Turn away from evil things and people. I am the One who knows people's hearts. Be wise and strong. I am coming soon to be with you again. Live holy lives.

John told the churches that Jesus would bless people who stayed true to Him.
