

NEWS FOR GOD'S PEOPLE

REVELATION 21: 22:6-21

Long ago, God made everything in the world. We love the world God made. But one day God will make a beautiful new world for His people.

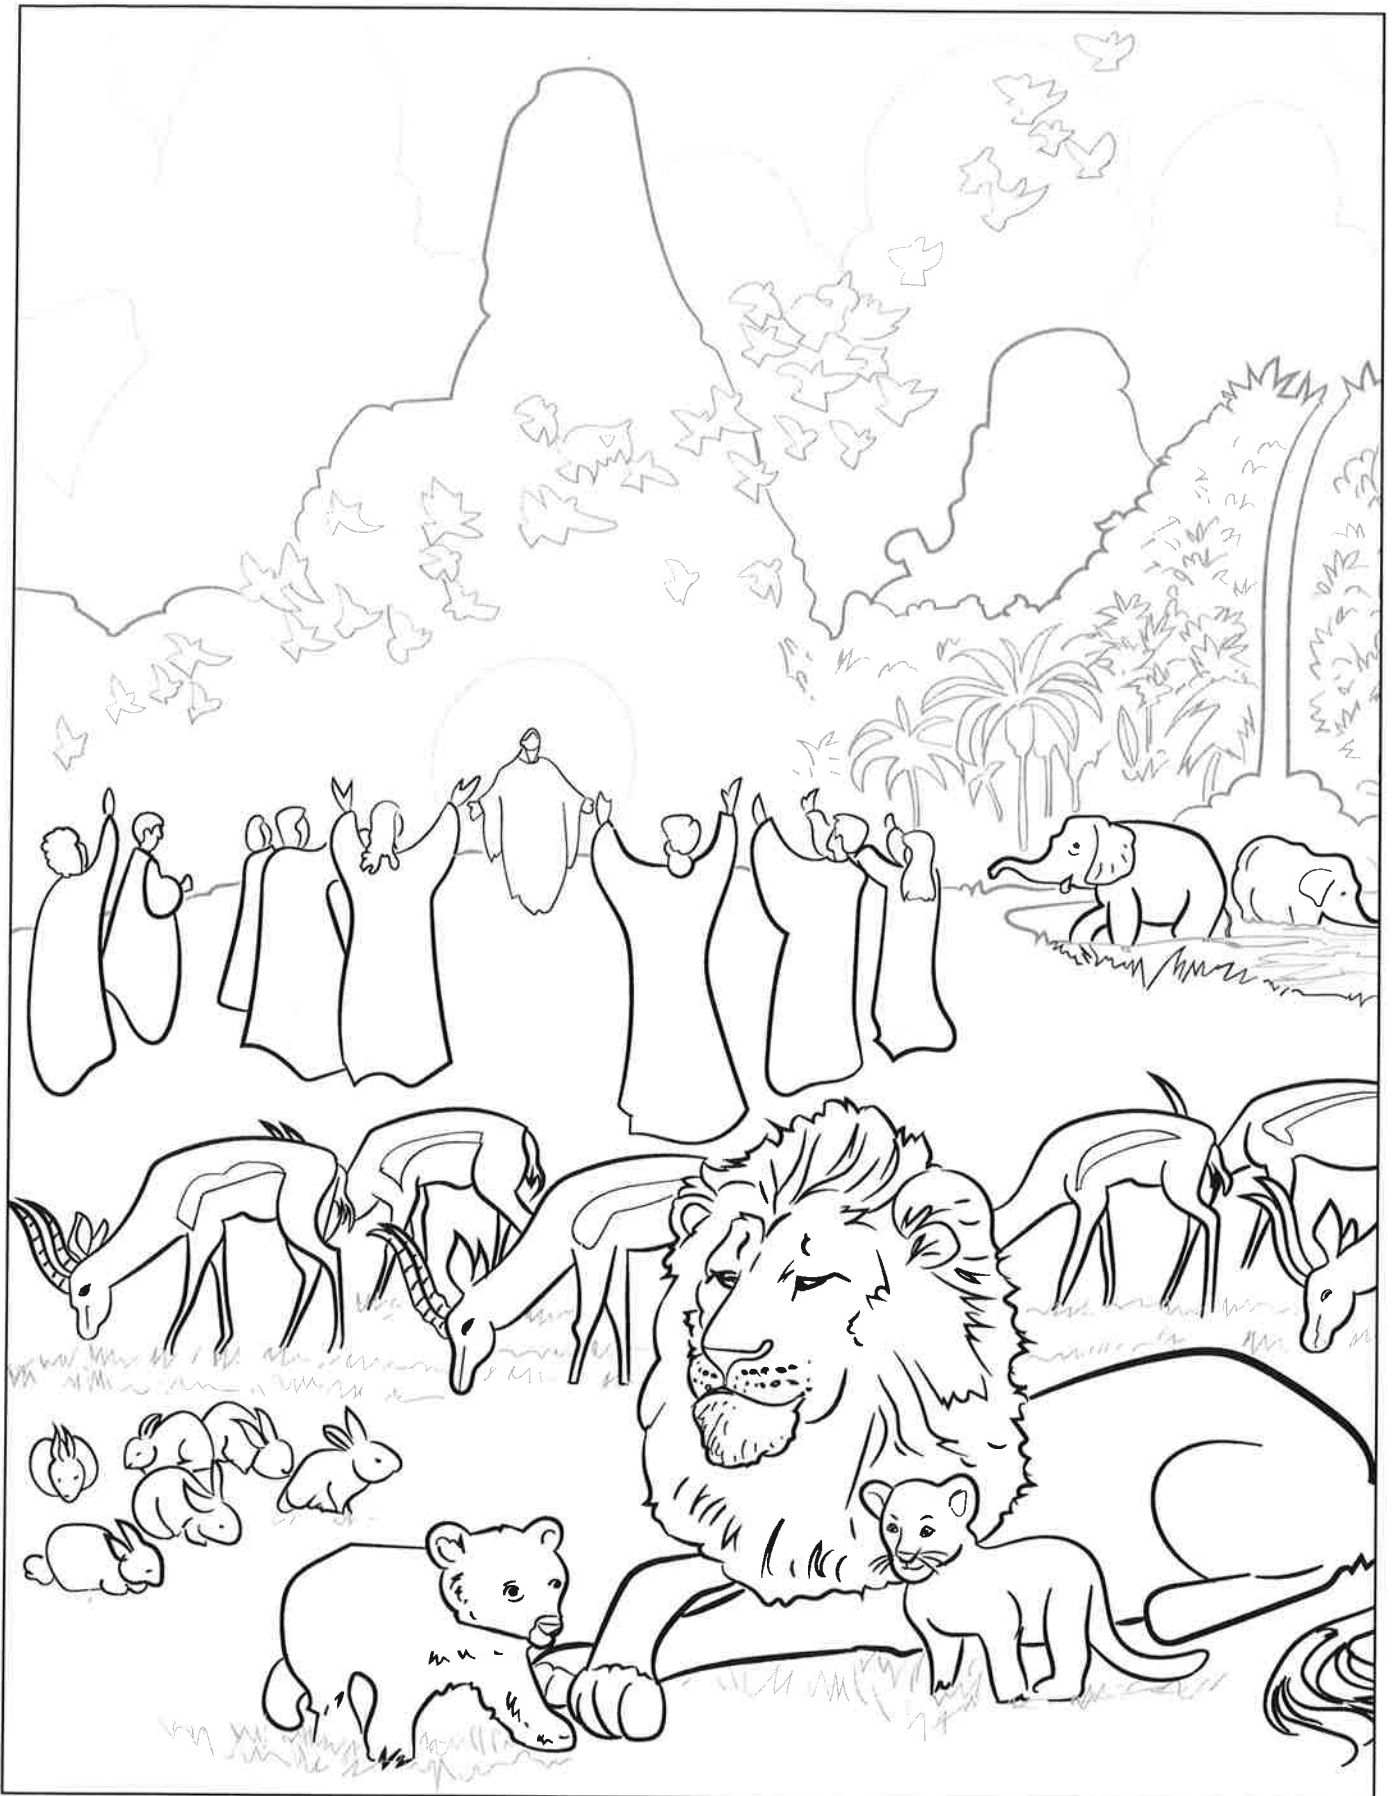

John wrote about the new world. Jesus helped John see what the new world would be like. There will be a new earth and sky. The city of Jerusalem will be beautiful. It will shine with gold and jewels and light. There will be fruit trees and a river. It will always be daytime.

Jesus will be in the city and people will sing praises to Him. God will live with His people.

What wonderful news John told the people!

FAMILY ADVENTURE EXPLORE NATURE ITEMS

Fill some clear plastic bottles with various tree parts, such as leaves in one bottle, acorns or nuts in another, and twigs in a third. Tape around the caps. Help your baby shake or roll a bottle. Say: "God made trees. God made your eyes to see His wonderful world." Hold the Bible open for your baby to pat as you mention that God will make a new world one day.

FAMILY ADVENTURE BLOW & POP BUBBLES

Blow bubbles for your child to chase and pop. As you laugh and have a good time together, talk about the wonderful time people will have in God's new world.

Show the picture on this card and point to the people. Say: "People will be happy in the new world and they will sing praises to Jesus. God will be with people in His new world."
