GOD MADE THE WORLD

GENESIS 1-2

A long time ago the world was very dark. Then God made light. He made the day and night.

God made the bright sun for the daytime. God made the moon to give soft light at night. God made the twinkling stars for nighttime.

God made water. He made lakes and oceans and filled them with fish of all sizes. God made some very tiny fish, and He made big fish. God made food for the fish to eat.

God made the blue sky and puffy white clouds. He made tall, tall trees, and scraggly bushes. God made beautiful flowers and plants of many colors.

God made a beautiful world. He said, "It is very good."

Then God made people. He made a man and a woman.

Everything God made was good.

PARENTS,

The apostle Paul declared that God can be known and understood through His world. In Romans 1:19-20 we read that God's attributes and His power are evidenced in nature.

God's world is amazing and wonderful! Introduce your preschooler to God through creation. Look for opportunities to explore nature through seeing, hearing, touching, smelling, and tasting.

FAMILY ADVENTURE GO ON A NATURE WALK

Stroll your baby outdoors to look for signs of autumn. Identify nature items, talk about beautiful colors, name sounds. Say a simple prayer as you observe God's world. Remark: "In the beginning God made the world. And everything God made was very good." Show your baby a Bible and turn to Genesis 1. Say: "The Bible tells about the world God made."

FAMILY ADVENTURE PLAY WITH TOYS IN WATER

Toddlers love water play. Fill a large plastic pan with water and drop in a few plastic animals, flowers, and toy food. As your preschooler splashes and plays with the toys, name them. Comment that God made water, animals, flowers, and food. God made a wonderful world. Say: "God made people, too. He made you! God made everything, and it was good."
