MOSES WARNED THE PEOPLE

EXODUS 32; 34:1-4,14,17

Moses climbed the mountain to be with God and get instructions for the Hebrew people to follow. Moses was gone for many days.

People in the camp waited and waited for Moses. They became tired of waiting for Moses to tell them what God said. So the people decided to make an idol, a statue of a cow, to be their god. The people told Moses' brother Aaron their idea.

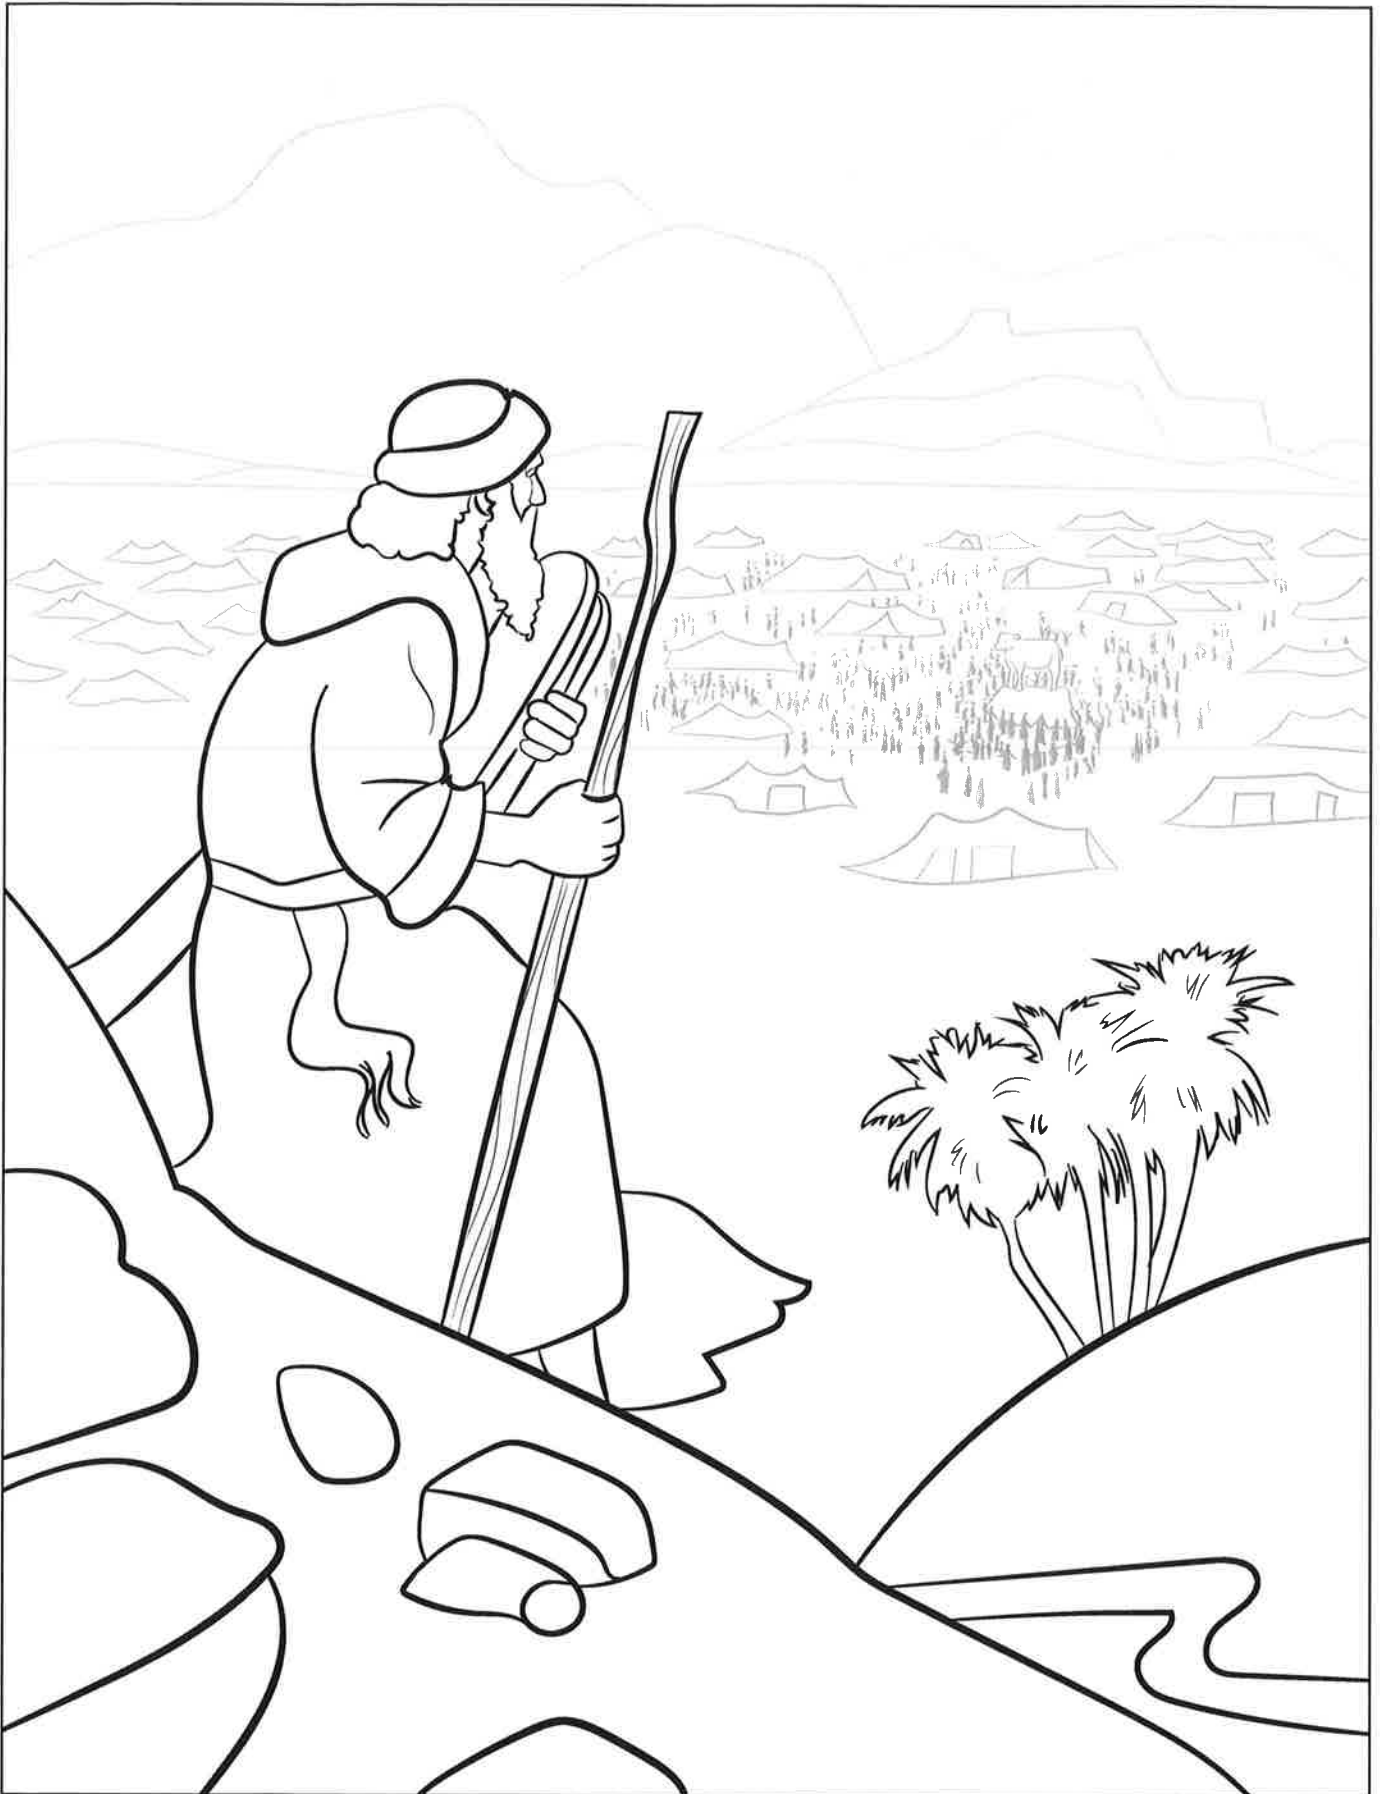

Everyone took their gold to Aaron and he made a huge gold cow. The people began to dance and shout. They worshiped the cow!

When Moses returned to the people, he saw the gold cow and became angry. Moses told the people they had done a terrible thing and God was not pleased. God would punish the people.

Moses warned the people God said to worship only Him and no other god.

FAMILY BIBLE EXPLORATION

USE THESE ACTIVITIES AS YOU STUDY TOGETHER AS A FAMILY:

• **Examine jewelry.**

Gather pieces of jewelry, particularly anything made of gold. Allow time for your family to look at the jewelry and describe its features.

Say: "When the people left Egypt, the Egyptians gave the Israelites many items of jewelry." Read Exodus 32:2. Continue: "Aaron asked that the people give him the gold rings and earrings they had from Egypt. Aaron took these things and made an idol."

Recall from your commandments discussion last week that God wanted the people to worship only Him and not make any idols.

• **Review the last 40 days.**

On a calendar, mark off the last 40 days. When you have that time period marked off, talk about things that have happened in your family during those 40 days. Likely there will be many things your family has done or experienced in that 40 days.

Say: "Our family has done a lot in the last 40 days. Moses was on the mountain with God for 40 days. While Moses was gone, the people worried that he was not coming back. Instead of trusting in God, the people demanded that Aaron build an idol for them to worship. God was not happy."

• **Create with dough.**

Give each family member a lump of dough. Tell everyone to fashion anything they choose from the dough. When everyone is finished making their item, invite them to share what they created.

Make sure you create a cow or calf from your dough. After everyone has shared, reveal your cow and recall the story of the golden calf from Exodus 32.

Say: "God had just told the people of Israel not to worship anything other than Him. God was not pleased when the people chose to worship a golden calf."

Bible Focus @ Home:

Above all else, we are to worship the one true God. Guide your child to consider ways that people show love for God. Help your preschooler learn that God is special and more important than anything else. Talk about God in a loving voice. Sit with your child and turn pages in the Bible. Say: "The Bible tells us about God. There is no other God. We are to worship Him only." Find times for your family to worship God through music, prayer, Bible reading, and actions. Include your child in worship experiences with you.

Let's Pray

GOD'S WORD

Heavenly Father, help my child remember that peace belongs to those who love Your instruction.
